

## II HRVATSKO HOMEBREW PRVENSTVO, ZAGREB 2013

II. Croatian homebrew championship, Zagreb 2013.

### Drugo hrvatsko međunarodno homebrew prvenstvo. **Pravila:**

1. Sve BJCP kategorije će biti prihvaćene osim medovine i braggota. Samo piva bazirana na žitaricama. Prihvaćati će se i Black IPA piva. Opis Black IPA kategorije biti će objavljen posebno.
2. Prihvaća se maksimalno 5 prijava po natjecatelju, maksimalno jedno pivo po kategoriji.
3. Potrebna je 1 litra piva za svaku prijavu. Boce od 0.3l i 0.5l su prihvatljive.
4. Boce ne smiju imati nikakove oznake na sebi. Boce moraju biti bez reljefnog stakla, logotipa, etiketa i oznaka na čepovima. Ukoliko čepovi maju oznaku potrebno ju je zatamniti markerom ili oprati alkoholom.
5. Svaka boca mora na sebi imati ID formular prikačen gumicom. Molimo ne koristiti selotejp ili ljepilo.
6. Svaki natjecatelj mora popuniti i priložiti prijavni list (u posebnom dokumentu).
7. Rok za prijavu je 25.5.2013. Ako dolazite na natjecanje iz drugih gradova, prijave će se primati do 9:00h 1.6.2013. (na dan natjecanja)
8. Kategorije će se grupirati. Npr. lako je moguće da će Robust Porter, Brown Porter, Dry Stout, Foreign Extra Stout American biti suđeni zajedno.  
Suci će suditi pivo protiv kategorije u kojoj je prijavljeno a ne protiv ostalih piva. Tako će npr Dry stout napravljen točno prema stilu dobiti visoke ocjene dok će Foreign Extra Stout koji je npr. bolje pivo no ima okus kao Porter a ne Stout dobiti niže ocijene.
9. Misleći o gore navedenome, pazite da pivo bude prijavljeno u ispravnu kategoriju. Mi nećemo mijenjati kategorije piva, piva će biti suđena u kategoriji u kojoj su prijavljena. Ako Imperial Stout prijavite kao Belgina Dark Stron Ale, ocjene će biti jako niske iako je pivo jako dobro
10. Prijava za svako pivo je 10 kuna ili 1.5eura. Druge valute neće biti prihvaćene.
11. Ovo natjecanje je registrirano kod BJCPa i koristiti će se taj stil suđenja. Svi suci su prošli senzorski trening sa Siebel Sensory Flavor Kit. Suci ne mogu suditi kategorije u kojima imaju prijavljeno pivo. Suci su odabrani i novi suci vise neće biti primani.

Natjecanje se može vidjeti na BJCP program na adresi:

[http://www.bjcp.org/apps/comp\\_schedule/competition\\_schedule.php](http://www.bjcp.org/apps/comp_schedule/competition_schedule.php)

12. Za sve koji dolaze na natjecanje, naplaćivati će se ulaznica. Novac od ulaznica služiti će za pokrivanje troškova organizacije i hrane. Cijena ulaznice biti će 50 kuna ili 7 eura po osobi. Ostale valute neće biti primane.

## II HRVATSKO HOMEBREW PRVENSTVO, ZAGREB 2013

II. Croatian homebrew championship, Zagreb 2013.

### Second Croatian International Homebrew Competition **Rules:**

1. All BJCP categories will be accepted except meads and braggots. Only barley based beers. We will also accept Black IPAs. Black IPA category description will be supplied separately.
2. Maximum of 5 entries per person, 1 entry per category.
3. 1 liter of beer must be supplied for each entry. Bottles of 33 or 50 cl will be accepted.
4. Beer must be packaged in bottles with no markings of any kind. No raised glass, no logos, no labels, no marks on the cap. If the cap has marks on it, black them out with a marker before entering.
5. Each beer must have a bottle ID form attached to it with a rubber band. Do NOT use tape or glue, ONLY a rubber band.
6. Each entrant must also supply an entry form (can be found in separate document).
7. Deadlines for entries is May 25<sup>th</sup>, 2013. If you are attending the competition from a long distance away, entries will be accepted until 9AM on June 1<sup>st</sup>, 2013, the day of the competition.
8. Categories will be consolidated. So, it is likely that Robust Porter, Brown Porter, Dry Stout, Foreign Extra Stout and American Stout will be judged together, for example. Judges will judge the beers against the category in which they are entered, though. So, a dry stout that is made perfectly to style will get a very good score while a Foreign Extra Stout which is a better beer but tastes like a Porter and not a Stout will score lower.
9. With that in mind, please make sure you enter the correct category. We will not be reassigning beers. They will be judged in the category in which they are entered. If you enter an Imperial Stout as a Belgian Dark Strong Ale instead, you get a very, very low score even if the beer is good.
10. The entry fee for each entry is 10 kuna or 1.5 euros. No other currency will be accepted.
11. This competition is registered with the BJCP and will follow that style of judging. All judges have had sensory training with the Siebel Sensory Flavor Kit. Judges cannot judge in categories in which they are entered. The judges pool is closed and we are not accepting any new judges.

The competition can be seen on the BJCP schedule here:

[http://www.bjcp.org/apps/comp\\_schedule/competition\\_schedule.php](http://www.bjcp.org/apps/comp_schedule/competition_schedule.php)

12. For people attending the competition, there will be a fee for entry to help cover the costs of food. The entry fee will be 50 kuna or 7 euros per person. No other currency will be accepted.
