

HERBAL PALE ALE [10 – 12 ° BLG]

Sponsor : Browar Piwoteka

Developed by: Michał Zieliński

Aroma:

Low to medium herbal aroma. None to low hops aroma. A wide variety of aromas are acceptable.

Low to medium malt, grain, bready aroma. Subtle caramel aroma is acceptable. Low fruity-easter aroma. No alcohol aroma.

Appearance:

Pale yellow to deep gold color. Brilliant clarity is preferred, however a light haze is acceptable. Fine, thick, long-lasting white foam stand.

Flavor:

Low to medium herbal flavor is acceptable but cannot be dominant. Low to medium-low malt, grain, bready flavor. Subtle caramel flavor is acceptable. Low fruity-easter flavor. Low hops tones. Low to medium bitterness derived from either hops or herbs. Shouldn't be tannic or astringent. Malt and hops-herbal bitterness should be balanced, but slight deviation towards bitterness is acceptable. No alcohol flavor.

Mouthfeel:

Low, sparkling carbonation. Low to medium body. Slight astringency is acceptable.

Additional notes:

More than one addition is acceptable. However the brewer is obliged to provide the full recipe.

Commercial Examples:

Zielarka (Profesja)
